SOFT SKILLS

Adaptation capability

I have a strong ability to adapt to new situations quickly and effectively. I'm highly flexible and can easily pivot when faced with unexpected challenges.

Calm

I'm a person really calm even if I'm stressed, I won't show it to people and I won't lose my nerves.

Team working

I'm capable of working as part of a team, I can communicate with my teammates, and I can also say if there is a problem in the project, as demonstrated by our two projects over the past years.

Work ethic

When my teammate gives me a responsibility, I will try my best to complete it, if I have a problem that I couldn't solve during the project I will tell my teammate.

Ambitious
I have some ideas for the future, I would like to gain experience and develop myself.
